About Us...

Dance Dimensions is a professional, yet caring environment dedicated to the growth and development of young dancers.

We offer a variety of classes with professionally trained instructors for everyone who is interested in the art of dance.

It is the goal of Dimensions to nurture the stars of tomorrow. Our focus is on technique and performance quality; providing the students with a strong yet versatile foundation. Our mission is to have our students be intellectually knowledgeable about dance and its history as well as technically sound.

Enrooted in a family environment, Dimensions commits itself to the growth of its students on a personal level, serving as a positive, safe outlet for today's youth. We strive to bolster confidence and self-esteem, motivate learning through positive reinforcement, and enrich the lives of young dancers from the inside out!

Dance Dimensions...where the stars of tomorrow
start shining!!!
